Challenge :

Bauchi State University is a young and fast growing university with 22,000 students and focused on developing talent in Law, Medical Sciences and Social Sciences. eLearning is a core pivot of Bauchi State University strategy.

Solution :

Bauchi State University will make accessible a large collection of high quality and multidisciplinary eBook titles from IG Publishing platform to its 22,000 patrons, putting eLearning into full action.

Result :

“IG Publishing platform has demonstrated in Nigeria that it fills better than anybody else an unmet need for quality contemporary eBooks that go in depth in areas that other platform barely scratch the surface. That accounts for its success in our country, Nigeria.”
