“IG Publishing (Taiwan) –TAEBDC started purchasing IG Publishing (IGP) content in 2008, and has been a growing account with IGP since then. What TAEBDC values about IGP are the specialty content (e.g. niche cultural studies, business applications for MBA courses) that are not readily available on other aggregator platforms, and the flexibility to create custom collections that cater to the wide needs of TAEBDC. With the launch of the new IGP platform in Quarter 1 of 2019, we expect TAEBDC patrons to enjoy even better user experience.”

Taiwan Academic E-Book & Database Consortium (TAEBDC) is one of the largest academic digital library consortium in Asia, comprising 90 of the top universities in Taiwan. Organized by ZTE
