

EVIDENCE BASED ACQUISITION

Evidence-Based Acquisition (EBA) is the easiest way to build collections that meet the needs of any academic, corporate and libraries

KEY BENEFITS of EBA

1. Enable library to build digital resource archive, with perpetual title license
2. Access to vast collections of eBook titles, across major subject areas (>70,000 titles)
3. Evidence-base > Usage report during EBA period to identify the highly viewed titles
4. Ease of access > Patrons gain access to the Ebooks 24 X 7 on most mobile devices (via App)
5. Opportunity to continuously build deep archive by purchasing back-files at steep discounts
6. Low entry barrier (starts from USD3K)
