

# FACT SHEET

**PMPH USA**  
Publishing to Advance the Practice of Medicine

## Summary

**PMPH-USA** is the U.S. publishing operation for the People's Medical Publishing House, the largest medical publisher in China. Launched in January, 2008, PMPH-USA publishes clinical references, textbooks, and online material for physicians, dentists, medical students, and health science practitioners. In July of 2008, the company acquired BC Decker's medical book list, consisting of world-class authors and titles in areas such as oncology, surgery, neurology, pediatrics, oral surgery, and dentistry.
