

FACT SHEET

Paths International Ltd

Summary

Paths International Ltd is a UK registered company established in 2002. Paths established with the purpose of bringing high quality academic and professional content written and developed in Asia to Europe and North America. Paths International Ltd is now making available eBooks written by Chinese authors from some of the most prestigious universities and institutions in the country. It offers a view of China from experts in China. Change in China is not a single event, it is a process and many of these eBooks bring clarity to the blur of recent and ongoing change in that country.
