BELT & ROAD *initiative*

COLLECTION

Since its inception in 2013, the China Belt and Road Initiative (BRI) (一带一路), has made substantial inroads into more than 60 countries across the globe. IG Publishing compiles a list of well-researched titles written by authoritative scholars around the world, looking at the economic, cultural, historical, social, military, and environmental implications of BRI. The books are highly relevant for researchers who seek a more balanced and fact-based approach to studying BRI and its impact.
