

# SUCCESS STORY

## Vietnam National Economics University (VNEU)

**IG Publishing**  
by iGroup

New Closure by

National Economics University (NEU) after a thorough tender process has chosen IG Publishing as the eBooks platform for all 45 universities under the network of NEU.

What sets IG Publishing apart is the extensive breadth and depth of Social Sciences eBooks particularly in Business, Economics, Finance, Political Science, Sociology.

This addition significantly strengthens the core body of e-resources for students and faculty to study and do research.

IG Publishing is the leading provider of eBook collections in the region with a user-friendly platform.”

-NEU Committee

Founded in 1956, National Economics University (NEU) is the leading university in Economics, Public Management and Business Administration in Vietnam.

NEU chairs a network of 45 universities in Vietnam in economics and business administration. The university has become an important hub for academic exchange domestically and internationally.

Many of NEU's alumni have a strong track record of success and hold important positions both in the Vietnamese government and public services, including, a Minister, a Deputy Prime Minister, the Director of General Statistics Office and CEO's of numerous multinationals and major domestic corporation.
