OPEN AGENDA PUBLISHING

Summary

Open Agenda Publishing (OAP), publisher/creator of the award-winning multimedia initiative Ideas Roadshow, offers two monographic scholarly book series - Ideas Roadshow Conversations (100 books) and Ideas Roadshow Collections (20 books) - developed from in-depth conversations between Dr Howard Burton and 100 world-leading experts across the arts and sciences, including 3 Nobel Laureates. These books not only explore cutting-edge academic research, but also reveal the inspirations and personal journeys behind the research which make them powerful pedagogical resources.

Special Highlights

OAP has also published a range of other books, including Howard Burton's memoir, *First Principles: Building Perimeter Institute*. Howard was PI's Founding Director and in this book he tells the unconventional story of the creation of Perimeter Institute for Theoretical Physics. The book has a foreword by Nobel Laureate Roger Penrose.

Title Highlights

First principles : building Perimeter Institute
