

# Evidence Based Acquisition

Evidence Based Acquisition (EBA) is the easiest way to build collections that meet the needs of any academic, corporate and libraries

## Key Benefit of EBA

1. Unlock a wealth of knowledge with our library's digital resource archive, with perpetual title licensing.
2. Featuring over 60,000 eBook titles across major subject areas.
3. Libraries can leverage our usage reports to gain insights into which eBooks are most popular among their patrons.
4. Keep growing your archive with ease by purchasing back files at discounted rates through our platform.
5. Our user-friendly app provides 24/7 access to eBooks on most mobile devices.
6. Low entry barrier starting at just \$3,000, gaining access to this vast collection has never been more affordable.
