

ASIAN STUDIES

Specializes in Academic

ISEAS Publishing is dedicated to academic excellence by producing in-depth research on Southeast Asia's politics, economics, and social aspects. Through collaborations with academic and trade publishers, it disseminates important research globally, including the Trends in Southeast Asia series, offering timely updates on emerging regional trends.

Categories and Subjects

ISEAS Publishing's key subjects and categories include in-depth analyses on Southeast Asia's politics, economics, and social aspects. They offer country studies on Myanmar, Thailand, and Malaysia, as well as publications on ASEAN's regional role. Their flagship Southeast Asian Affairs series covers significant regional matters.

ISEAS
PUBLISHING

About

ISEAS Publishing, a prominent academic press, focuses on producing scholarly works on Southeast Asia. It collaborates with various publishers to distribute research globally. Specializing in politics, economics, and social aspects, ISEAS offers in-depth analyses, country studies, and insights on ASEAN's regional influence.
