IGP

Specializes in Academic

Right Book Press specializes in academic publishing by working with expert authors to produce the Authority Guides, which are tailored for business studies students and professionals. These pocket-sized books offer concise and practical insights on key business topics, making them valuable resources for academic learning and research.

Categories and Subjects

Right Book Press covers key subjects and categories including business studies, entrepreneurship, leadership, management, marketing, finance, strategy, communication, and personal development. Their Authority Guides series offers concise and practical insights on these topics, tailored for business professionals and students seeking valuable knowledge and guidance.

Right Book Press
Formerly SRA Books

About

The Right Book Press (formerly known as SRA Books) is the publishing imprint of The Right Book Company, a UK independent publisher, collaborates with expert authors to publish the Authority Guides, pocket-sized business books tailored for business professionals and students. The series comprises 20 guides with ongoing expansions for 2019/2020.
