

ASIAN STUDIES

Specializes in Academic

Enrich Professional Publishing (EPP) specializes in academic and reference works on economic and financial changes in China and the Asian region. Through partnerships with universities in China and Hong Kong, EPP translates the expertise of Chinese economic experts into English, promoting a deeper understanding of these subjects worldwide.

Categories and Subjects

Enrich Professional Publishing (EPP) offers academic and reference works on key subjects such as economic and financial changes in China and the Asian region. Categories include modern Chinese economics, the impact of China's rise as an economic superpower, and the rapidly changing dynamics of the global economy.
