

ASIAN STUDIES

Specializes in Academic

Paths Publishing Group specializes in academic content by offering high-quality eBooks written by Chinese authors from prestigious universities and institutions in China. It focuses on providing in-depth insights into China's complex transformation process, offering clarity on recent and ongoing changes in the country.

Categories and Subjects

Paths Publishing Group offers eBooks by Chinese authors from prestigious universities, focusing on academic and professional content from Asia. Key subjects include China's ongoing transformation, insights into the country's changes, and expertise from renowned institutions, providing a unique perspective on China's development.

About

Paths Publishing Group (formerly Path Publishing Group), founded in 2002, aims to bridge academic content from Asia to Europe and North America. It provides eBooks by Chinese authors from esteemed institutions, offering insights into China's ongoing transformation and showcasing expertise from within the country.
